SECTION 1

FINANCIAL SERVICES GUIDE

WHAT OTHER INFORMATION SHOULD YOU CONSIDER BEFORE DECIDING WHETHER TO PROCEED WITH OUR RECOMMENDATIONS?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

WHO PROVIDES THE FINANCIAL SERVICES DESCRIBED IN THIS FSG?

The financial services described in this FSG are provided by us as Authorised Representatives of OzPlan Financial Services.

Part 2 of this Guide contains further details about your financial adviser, and our experience, qualifications and professional memberships.

WHO IS RESPONSIBLE FOR THOSE FINANCIAL SERVICES?

As the holder of an AFSL, OzPlan Financial Services is responsible for the financial services we provide to you. OzPlan Financial Services acts on its own behalf when these financial services are provided to you. In relation to the financial services offered in this FSG, OzPlan Financial Services, as the holder of an AFSL, does not act on behalf of any other person or licensee. OzPlan Financial Services is only responsible for the services offered in the FSG.

The law requires OzPlan Financial Services to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act by OzPlan Financial Services and/or its Authorised Representatives. OzPlan Financial Services has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

WHAT PRODUCTS ARE AVAILABLE?

A range of financial products offered by many leading financial product providers are available for recommendation by us.

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from. We conduct due diligence on external research report providers that provide us with research.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation and needs. The recommendations will be made after conducting an investigation into the financial products and may require us to investigate and consider a financial product which is not on the APL.

OzPlan Financial Services also has an extensive unlimited Approved Product List for Risk Insurance Products with various life insurance underwriters, which enables us to choose the policy most suitable to meet your requirements.

PROTECTING YOUR ASSETS

OzPlan Financial Services and its Authorised Representatives promote long-term investment

strategies which do not take unnecessary risks with your investments. For this reason, OzPlan Financial Services Authorised Representatives are not permitted to switch your investments frequently or make speculative investments in products such as tax-driven schemes or unregulated products.

OzPlan Financial Services Authorised Representatives are also restricted to OzPlan Financial Services's Approved Product List unless they consider it is in your interests to recommend a product that is not on the Approved Product List, in which case they will follow OzPlan Financial Services's review and approval process to ensure the product is appropriate for your circumstances.

To further protect your interests, except in limited circumstances permitted by OzPlan Financial Services and where agreed by you, OzPlan Financial Services does not allow its Authorised Representatives to:

- act as a trustee or operate a trust account on behalf of clients;
- hold a Power of Attorney;
- hold funds or have access to withdraw client funds;
- recommend the use of a Managed Discretionary Account service;
- act on behalf of any other Australian Financial Services Licence holder; or
- ask clients to sign documents which have not been fully addressed or completed.

HOW DO WE ENSURE THAT THE ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure we provide advice suitable for your needs and financial circumstances, we firstly need to understand your financial situation, personal financial objectives and needs. We will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your personal financial situation, financial objectives and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing your full personal information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where required we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare

and present you with a written SoA, or in some cases depending on the circumstances, an RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice.

Where we recommend financial products, we will provide you with a PDS or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to purchase that product.

- 5.) We will discuss our recommendations with you, make any changes you require and gain your agreement to implement those recommendations.
- 6.) We will then implement those recommendations.
- 7.) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA. Where you have entered into an ongoing fee arrangement after 1 July 2021, we will renew your arrangement with you every 12 months.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1.) Where we provide you with only general advice, such as through seminars and newsletters;
- 2.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone, fax or email using any of the contact details set out in Part 2 of

this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

OTHER SERVICES

Your OzPlan Adviser may provide services other than financial planning services. For example, they may also act as your accountant or legal adviser, or advise you on real estate investments. While they may provide these other services, you should understand that these other services are not provided under OzPlan Financial Services's AFSL and OzPlan Financial Services does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Examples of the services which OzPlan Financial Services is not responsible for include:

- general insurance services (e.g. car insurance);
- real estate and direct property advice;
- taxation services, such as completion of tax returns;
- accounting and audit services;
- legal services;
- consulting services; and
- administration and compliance of Self-Managed Superannuation Funds.

HOW ARE WE PAID FOR OUR SERVICES?

We and OzPlan Financial Services may receive:

- fees paid by clients;
- commissions paid by product providers;
- other payments by product providers; and
- other benefits.

Fees and commissions are payable (as directed by your Authorised Representative) to any of OzPlan Financial Services, your Authorised Representative or to any other approved party. We may receive up to 100% of any fees and commissions received.

Details of any fees, commissions or other benefits that we, OzPlan Financial Services or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES?

The types of fees, commissions and other benefits that may be received by us and by OzPlan Financial Services include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice.

These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services.

This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods.

Where it is debited from your investments it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commission on Life Risk Insurance Products

Initial and ongoing commissions from insurance providers may be received by OzPlan Financial Services. These commissions are paid to OzPlan Financial Services by the company that issues the product that OzPlan Financial Services' Advisers recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to OzPlan Financial Services. Ongoing commissions are payments paid by product issuers to OzPlan Financial Services in the years after the first year. These commissions may be passed onto the adviser.

If you initiate an increase to your cover, OzPlan Financial Services may receive initial and ongoing commissions on the increase to your policy cost. The ongoing commission on a client initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), OzPlan Financial Services may receive up to 31.0% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that OzPlan Financial Services may receive is set out in the table below:

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 - 140%	0 - 38.5%
1 January 2018 - 31 December 2018*	0 - 80%	0 - 20%
1 January 2019 - 31 December 2019*	0 - 70%	0 - 20%
From 1 January 2020*	0 - 60%	0 - 20%

* OzPlan Financial Services may receive the pre-1 January 2018 commission rates above from the product issuer if:

- > your policy was issued before 1 January 2018 and you exercise an option to establish new or additional cover under your policy after 1 January 2018; or
- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

You have an existing policy with us, issued in 2017, and in 2018 you decide to increase the cover on that policy with a corresponding increase in policy cost of \$100 pa. OzPlan Financial Services may receive up to \$140 (140% excl. GST) as initial commission on that increase and may pass up to \$140 pa to us. The ongoing commission payable to OzPlan Financial Services in respect of this increased policy cost may be up to \$38.50 (38.5% excl GST).

Or, we recommend an insurance product to you and it is issued on 2 April 2018. The annual policy cost is \$450. OzPlan Financial Services may receive up to \$360 (80% excl. GST) as an initial commission and

may pass up to \$360 to us. Assuming the policy cost stays the same each year, OzPlan Financial Services may receive up to \$90 pa (20% excl. GST) as an ongoing commission and may pass up to \$90 pa to us.

From 2 September 2018, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to OzPlan Financial Services in respect of this increase will be up to \$80 (80% excl. GST) as the increase has occurred in 2018. The ongoing commission payable to OzPlan Financial Services in respect of this increased policy cost will be up to \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 September 2019).

From 2 September 2020, you decide to increase your insurance cover again. The cost of this increased cover is \$100. The initial commission payable to OzPlan Financial Services in respect of this increase will be up to \$60 (60% excl. GST). The ongoing commission payable to OzPlan Financial Services in respect of this increase will be up to \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 September 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that OzPlan Financial Services and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

DOES OzPlan Financial Services CHARGE ANY FEES?

OzPlan Financial Services will not charge you any additional fees.

OTHER BENEFITS

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between up to \$300 and other benefits that relate to information technology software or support provided by a product issuer or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

WILL ANY OTHER PARTIES BENEFIT FROM THE FINANCIAL SERVICES OFFERED IN THIS FSG?

FURTHER DETAILS ON REMUNERATION AND BENEFITS RELATING TO FINANCIAL SERVICES

When you are provided with personal advice on specific financial products, we will disclose certain details of remuneration (including commission) or other benefits that we receive, or that OzPlan Financial Services receives, as a result of that advice (Remuneration or Benefits).

If the Remuneration or Benefits can be calculated at the time you receive personal advice, these amounts will be disclosed at that time, or as soon as practicable after that time in the SOA or ROA. If the Remuneration or Benefits cannot be calculated at the time you receive personal advice, we will disclose how these amounts will be calculated instead.

These details will only be disclosed when personal advice is given if the Remuneration or Benefits are reasonably capable of influencing us in providing the advice.
